Entrance of the Theotokos Skete

NEWS Volume 1 - Sept 2010

Blessed Greetings

Mission Trip Message
Sts. Constantine & Helen
Cathedral - Cleveland, OH

Excerpt from Mother Theadelphi

"We are very pleased and grateful that so much practical work has been accomplished. I have met many inspiring adults, and many fine young men and women who will be the future of our Orthodox faith in this vast, worldly-minded country of ours. We hope to see all of you in the future and that you will always know our prayers, thoughts and love go with you."

Excerpt from Fr. Ambrose -

"We have been able to give daily spiritual talks and I have heard many confessions. This is always a joyful blessing for a priest, to be a small tool in the hands of the Lord and helping people to relieve themselves of their burdens. We have also made many new friends, and we hope we have also planted seeds that will continue to grow and develop, both spiritually, in the lives of the (mission) participants and in our own relationship with them. We hope they will not hesitate to stay in touch with us in person, by phone, or email, and our doors are always open."

Continued Chapel Progress

Through the generous hard work and donations from our supporters. . . the chapel walls are up, the altar is framed, and the doors have arrived!

We are working through the ongoing tasks of permits and compliance. The copper roof is ordered and should arrive within 2 weeks.

Consecration of the Chapel is planned for **November 21st** which is the **Feast Day of the "Entrance to the Temple of our most Holy Lady Theotokos". We hope you can join us!**
